

DEPARTMENT OF HOSPITALITY
AND TOURISM MANAGEMENT

The students and faculty of Purdue University's Department of Hospitality and Tourism Management (HTM) invite you to be a part of our twenty-fifth annual Career Day on September 21 and 22, 2009.

This promises to be one of the best events we have ever hosted, bringing together some of the very best companies with students from the nation's highest rated hospitality and tourism program. Our theme - **Bringing the best to the table for 25 years** – explains what the students and staff of the hospitality department believe we have to offer and strive to achieve.

Career Day is a student-run event, organized each year by a select group of students working over an eight-month period. This year's student board has made every effort to ensure that our Career Day will be the best event of its kind anywhere, providing companies the chance to meet and recruit our very best.
