The purpose of the course is to provide graduate students an opportunity to further develop and strengthen their knowledge in scientific information relevant to nutrition and/or foods and constructively evaluate their peers’ who are registered for 1 credit and are giving presentations. The students who do not present are required to register for 0 credit and do receive a letter grade of Satisfactory or Unsatisfactory at the end of the semester. The students are required to attend and are expected to participate during the question and answer period. An unsatisfactory grade will be given for anyone who has three unexcused absences. Contact the instructor via e-mail prior to the seminar if unable to attend the seminar.
